

Mobile Digital Training Facility - MDTF

WHAT IS THE MDTF?

The MDTF is a Preplanned Product Improvement (P3I) of a Digital Training Facility and is designed for US Army Reserve Soldiers who need individual, collective, mandatory and command-directed training accessibility anytime, anywhere.

WHAT DOES THE MDTF DO?

- Provides access to Military Occupational Specialty qualification and reclassification training
- Provides access to leader development, functional skill and self-development training
- Provides mobile capability when and where training is needed - no more waiting in line in at the USAR Center

MDTF SYSTEM CAPABILITIES

- Connects wirelessly to the AR Network through existing Building Local Area Networks and Campus Area Networks
- Comes with 10 laptops, 1 Video Tele-Training suite (codec, camera, projector, microphone, speaker) and 2 ruggedized cases
- 24 x 7 Help Desk to initiate trouble ticket and dispatch technician for on-site repair or replace within 3 business days

REQUESTING AN MDTF

No cost to the unit or individual, simply submit a request to USARC G-3/5/7
