

Percipio is *your* learning platform that provides meaningful and relevant microlearning content driven by flexibility and personalized learning powered by AI.

- Personalized content recommendations based on your interests, role, and more
- Intuitive, Netflix-like interface and modern search engine prioritizes latest content
- Quickly find what you are looking for and apply it back on the job
- Ability to create/add Component custom learning resources

“Wherever you find excellence, you find continuous learning. They go hand in hand. Wherever you find that continuous learning is missing, you find mediocrity.”

Matthew Kelly, motivational speaker, and business consultant

WATCH / READ / LISTEN / PRACTICE / ATTEND

You can consume content in whatever way makes sense — videos, books, audiobooks, practice labs, coding sandboxes, and more. You can also attend live events, tech and dev bootcamps, and instructor led courses. Here are just some of the features you can expect:
