

OCTOBER 2022

THIS MONTH'S TOPIC

Cyber Security

The world is more digitally connected than ever before, and with this connectivity, comes vulnerabilities. It is essential that all Soldiers and Department of the Army civilians understand cyber risk and how to minimize threats. Security skills are in huge demand. Vast career opportunities exist and continue to grow in the Army and elsewhere. Army e-Learning offers a wide array of Cyber training for your development and professional certification.

We've selected a few examples of resources to help you build your Cyber talents today. Log in to your Army e-Learning account at: <https://usarmy.skillport.com> and copy the course/book ID and paste it in the Search block on the Skillport home page.

certification prep

Army e-Learning will be upgrading to a new learning platform – PERCIPIO

In preparation, you need to:

- **Make sure your email address is updated** in your Army e-Learning profile.
- **Log in to your Skillport account regularly** to monitor the home page for important updates and critical dates pertaining to the upgrade
- **COMPLETE LEARNING PROGRAMS BY 9 DECEMBER:** Users who are enrolled in a learning program in Skillport will need to complete all of the courses in the learning program by December 9, 2022 in order to receive credit for the entire learning program.

**Check out the thousands of courses
The Army e-Learning has to offer!**

Log in to your account at <https://usarmy.skillport.com> and select "Browse the Library" at the top of the page. Then click on any link to get started.
