

Army eLearning™

WHAT IS ARMY e-LEARNING?

Army e-Learning is an individual training application with over 3,500 commercial web-based courses available at no cost to the individual or unit. With the flexibility to take anywhere, anytime, Active Army, National Guard, Reservists, ROTC (MS III/IV) and DA Civilians can train when it fits their professional needs and personal schedules.

WHAT DOES ARMY e-LEARNING PROVIDE?

- Courses and certification prep tests in Information Technology (CompTIA, Security+, Network+, MCSE, CISSP, C++, Oracle, and many more), Business, Leadership and Personal Development
- On-line subject matter experts and mentors available 24x7
- On-line e-books
- Virtual Practice Labs
- ACE college credit course training modules
- Custom learning paths unique to training needs
- Curricula mappings to fit training requirements and help when developing Individual Development Plans
- Knowledge Centers in Leadership, Project Management, 8570 and Microsoft Enterprise Solutions

ARMY e-LEARNING TRAINING VALUE

- Reduces cost per trained Soldier
- 1 promotion point for every 5 hours of training for Enlisted
- Continuous Learning Points for DA Civilians

MISSION

Provide Army Soldiers and Civilians worldwide with web-based training 24x7 to increase the Information Technology, Business and Leadership skills needed to ensure mission readiness across the workforce.
